

MAKING BIRD FEEDERS

PINE CONE BIRD FEEDER

WHAT YOU WILL NEED:

1. String
2. Pine Cones
3. Crunchy Peanut butter
4. Birdseed

1. Tie some string around the bottom of a pine cone.
2. Take some peanut butter and spread it on the pine cone, making sure to put plenty into all the spaces.
3. Sprinkle some small birdseed on a plate and roll the cone over them. The seeds should stick to the peanut butter.
4. Hang the cone from a tree or just outside a window, so you can see it from the classroom.
